

NSQF Level	Exploration & Resource Management				Mining Operations							Engineering Services			Mineral Beneficiation	
	Geological Exploration	Geophysical Exploration	Exploration Drilling	Resource Management	Mine Surveying	Drilling & Cutting	Blasting	Loading & Hauling - Opencast	Loading & Hauling - Underground	Specialist Operations - Underground	HSE Functions	Electrical Services	Field Services - Mechanical	Workshop - Mechanical	Ore Processing	Instrumentation & Control Systems
10	MD/ Business Head															
9	Corporate Manager - Mining / Engineering / Resources															
8	Head - Mining Project, Department Heads															
7	Project Geologist, Project Geochemist	Project Geophysicist	-	Senior Resource Geologist	Senior Mining Engineer (OC/UG), Senior Geotechnical Engineer (OC/UG)						Emergency Response & Rescue Specialist, Occupation Health Specialist, Safety Specialist, Environmental Specialist	Senior Electrical Engineer	Senior Mechanical Engineer		Senior Mineral Processing Engineer	
6	Sr. Geologist	Sr. Geophysicist	Sr. Drilling Engineer	Resource Geologist	Mining Engineer (OC/UG), Geotechnical Engineer (OC/UG)						Sr. Environmental Engineer, Safety Engineer	Electrical Engineer	Mechanical Engineer		Mineral Processing Engineer	
5	Geologist	Geophysicist	Drilling Engineer	GIS Expert	Surveyor	Jr. Mining Engineer, Jr. Geotechnical Engineer, Mining Supervisor, Mining Mate				Mine Ventilation Supervisor	Environmental Engineer, Reclamation Supervisor	Jr. Electrical Engineer, Electrical Supervisor	Jr. Mechanical Engineer, Mechanical Supervisor - Field Services	Jr. Mechanical Engineer, Mechanical Supervisor - Workshop	Jr. Mineral Processing Engineer, Supervisor - Plant Operations	
4	Geological Assistant	Geophysics Survey Operator	Mine Driller (Exploration)	GIS & Modelling Technician	Assistant Mine Surveyor	Rig mounted Drill operator, Wire Saw Operator, Jack-hammer Operator	Blaster/Shot Firer, Explosive Van Operator	HEMM Operators (Excavator, Loader, Dumper, Bulldozer, Sprinkler, Grader, Bucket Wheel Excavator, Surface Miner, etc), Stacker & Reclaimer Operator, Mobile Conveyor Belt Operator	SDL & LHD Operator, Track layer Operator, Long wall Operator, Haulage Operator	Winding Engine Operator, Banksman, Roof Bolter, Gas Detector, Ventilation Adequacy Checker, Strata Monitoring Operator, Jumbo Operator, Road Header Operator, Scaler Operator	Safety Operator, Fireman	Mine Electrician	HEMM Mechanic	Mine-Machinist, Compressor Operator, Dewatering pump Operators, Mine Welder	Ore Processing Operator	Mechatronics Incharge, Instrumentation Technician
3	Sampler	-	Drilling Assistant,	-		Drilling Assistant	Explosives Handler			Timberman	-	Mechanic / Fitter			Assistant Technicians including Sampler (QA/QC), etc.	
2					Survey Helper	Assistant Support Person (Open casts / Underground)						Technical Helper - Electrical	Technical Helper - Mechanical		Assistant Operator (Ore Processing)	
1	Mazdoor / Helper
