

Expression of Interest for Assessing Bodies and Assessors under Skill Council Mining Sector

The Skill Council for Mining Sector (SCMS) is an apex body for skill development in mining sector. The main task is to develop skill competency standards and qualifications, bench marking it with international standards and to work with the mining industry to train existing workforce in PPP mode.

We invite expression of interest for carrying out assessment to assess impact of training on the participants knowledge, operational Skill, behavioral attributes and evaluate the quality of infrastructure, faculty/trainers as per the norms and requirement.

To express interest in carrying out Assessment kindly furnish the following information in tabular format–

1. Name of Firm
2. Nature of firm
3. Assessors strength(certified/non-certified) in the Mining area
4. Year of working
5. Number of Directors/Partners in the Assessment practice in India
6. Number of centers/office in India
7. Execution of study – Independently/Consortium

Alongside, provide a copy of declaration that the all information is correct.

Please mail both the documents to SCMS by July,2014 at scms@skillcms.in

Thank you
